

I'M TAKING OVER!

Hey Divas! (I think that's what Serena calls you?)

I'm sorta sneaking in here and logging on as her, while she's busy doing fucking laps in her pool. Can you believe that shit? Go Serena yeah?

Anyways, I'm on a lay over on my way to buttfuck Cambodia. Cause I got to bring shit face back to West Orange. Link will FUCK HIM UP!

But I wanted to tell you ladies to be on the look out for my cover... Cause it's so fucking dope! And it drops on the 13th! The others are jealous cause the photographer really got my good side. I can already tell many of you will want to lick me. No worries plenty of this hot stuff to go around.

Fuck, Mumsy just texted me that Serena is getting out of the pool so I need to get the fuck out of here. But you ladies are in for a treat with The Year of the Wolf, I mean don't tell anyone this but while I was waiting for her to write my story I got a front row seat to Wolf Child . It's FUCKING HOT! Eli, Ethan and Austin claiming Sabina... Makes me think of Stone... Fucking Stone.

Shit...

Bloody Hell! I walk away from my computer for an hour and who comes and raises mayhem? One of the Sinners!

Speaking of the Sinners! You may have noticed but the series got a bit of a face list, it's now called A Dark and Dirty Sinners' MC Series and you can read the first 3 books preparing for Steel coming in August. The reviews for Sin are amazing!! I am so grateful that you love Sin and Tiff's story. Thank you!

You can preorder Steel [here](#).

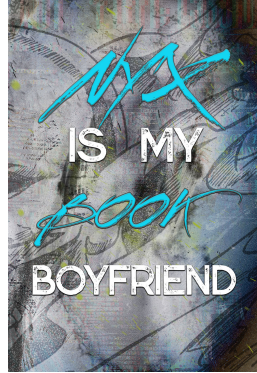

I've been so busy in June with 2 books dropping, and now putting the finishing touches on Wolf Child, well you already know about that thanks to Steel! What I thought was going to be a stand alone, well turns out the characters had so much to say, that it's going to be a trilogy! So you're getting some Year of the Wolf goodness in August and September as well. Squeeee! I am so excited for you guys to dive into this universe! I hope you Flove it!

Besides that, we've been doing a bit of a thing on Divas, shout out to Donna who's taken the reins of this. But we started Divas Diet Better. We are helping one another stay on track, sharing recipes and meal ideas and just having a Diva good time! Come join us! You'll find the link at the bottom of this Newsletter!

Much love,
Serena
