

Let's Catch up!

All Sinner No Saint

Hello my lovelies!

Today is the bookaversary of All Sinner No Saint, originally published as the Hell's Rebels MC Collection Duet: Their Sinner / Their Saint. Have you met Lucifer and her daughter Amaryllis? If not you are in for a treat! You can pick it up [here](#) or read it free on KU!

To celebrate this anniversary, by simply having opened and read this email you are entered in a drawing for an autographed copy of All Sinner No Saint!

I'm taking just a few minutes to catch up with you! What a crazy summer it's been! I'm guessing you ladies with crotch goblins are in full 'back to school' mode. Are you guys remote schooling? Seems like it's still really touch and go in many places around the globe... Also to all Divas in Texas and Louisiana or on the path of these horrendous storms, we are thinking of you! Stay safe!!!

I am down to the wire on Moon Child, it drops on the 31st of August and it's an epic read! This one packs a punch! Today's been dedicated to doing the final read through before I upload the final version to the Zon and I just this second finished it. My gawd, you're gonna have several cows!! :P Find it [here](#).

This week I've also finished Filthy Dark! Filthy Dark is Declan and Aela's story and it is a standalone second chance romance. It's the second book in the Filthy Feckers' Series and the third book in the Five Points' Collection. It felt so good to finally wrap this baby up and it is with my editor now! If you love the Feckers, you'll love this story and if you love the Sinners, you're going to want to read this one too. The crossover is really starting to take shape. ;) You can pre order Filthy Dark [here](#).

In the last newsletter, we had a giveaway and Emma was the winner! We've been in touch, Emma, and I can't wait to get you your prize!

Thank you, as always, for your support. I couldn't do what I do without you <3
Much love,
Serena
xoxo

Read Book One in the Year of The Wolf Trilogy

Wolf Child

SABINA

I'm human.
They're... not.
I'm afraid.
They're not.
We're mated. We're whole.
And together? We're going to change
the Pack.
Forever.

Wolf Child is live and free to read on KU.

Violence thrust me into this world.

My past defined me.

I was on the run. Constantly evading an adolescence loaded with heartbreak and fear, and then the end came.

But with it?

I found a new beginning.

Three mates.

Three Alphas.

All mine.

To have.

To hold.

Their protection gives me a future.

Their love gives me wings...

But the best intentions can still lead us to hell, and for the first time in my life, I have a future worth fighting for. Only, that doesn't take away my living demons.

When they come for me, which they will, I'm no longer alone.

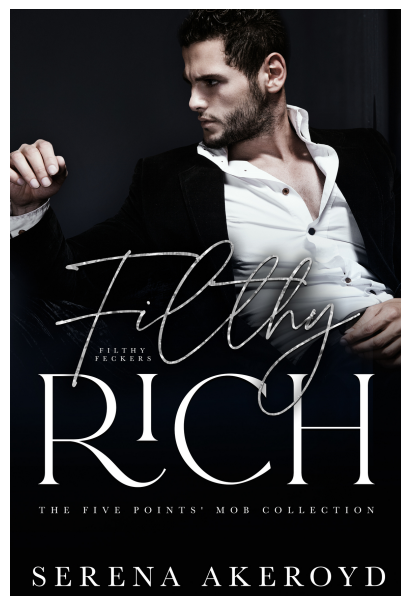

But can I survive if fate has given me an expiration date I avoided a decade ago?

Find out in **WOLF CHILD**!

Are you caught up with the Five Points - Satan Sinners' MC Universe?

Steel - Book 4 in the Dark and Dirty Sinners' MC Series
