

Isn't it pretty?

Cover Reveal

Hello Lovelies!

Isn't it PRETTY?!!! SQUEEEEE!!! Raven from Raven Covers outdid herself once again. These are some of my all time favorite PNR Covers. ♥ I feel like these covers do justice to the amazing women in this trilogy. Isn't Grace beautiful? I also love that it has a Fall flair to it, perfect for a Hallow's Eve eve release, don't you think? LOL

You ready for the blurb? Cause here it is!!

Blurb

DANIEL

Destiny screwed me over *once*.
The Goddess betrayed me *twice*.
Now she's sent me three gifts—*three mates*.
But three *rights* don't make up for the wrongs I've been dealt...
Or do they?

I was born to a bastard.
An evil alpha who used terror and fear
to reign over his people. One of a
handful of alphas, in *history*, who was
challenged and lost, triggering the total
collapse of my world. The pack
abandoned me, until Sabina
Highbanks adopted me. Made me one
of her family.

Then, of course, I learned my destiny.
A brother and sister were fated to go
to war.

My job?

To make sure it happened.

The sister belonged to me.

The brother was mine to protect.

One I was born to love. The other I
would die loathing.

Torn in two, split between coasts to
satisfy a kismet I never asked for, my
life is in ruins once again when the boy
I'm charged with guarding dies.

At my hand.

I have no alternative but to go on the run, but you can't outrun a goddess.

Or fate.

And when the three people you were born to love become entangled in an
unforeseeable danger, one that stinks of a man I thought was dead, it's time to come
out of hiding.

I need to make fate my bitch.

Or die trying.
