

But first some news...

Hello my lovelies!

How are you ladies doing today? I have to admit, I'm a teensy bit tired! As you may have noticed, since the beginning of the year I haven't quite slowed down. Releasing steadily book after book and you girls have been there for me every step of the way. My heart is filled with gratitude for your support--you have no idea how thankful I am for each and every one of you.

In saying that, it has required a lot of energy to keep producing story after story after story and although I am looking forward to giving you Sun Child, I have run out of time! So I bring today a little bit of sad news... The release date for Sun Child has been pushed back to the end of November. November 29th to be exact. So while my American Divas will be winding down the Thanksgiving weekend, you can all look forward to reading the conclusion to The Year Of The Wolf trilogy.

Fret not, it is happening! And in the mean time you will have plenty to read with **Cruz** dropping October 27th and **Maverick** coming on November 24th! I'm dead sorry about this, and if I could just add an extra couple weeks to October, I'd be all set. SMH. Thank you for your patience and understanding, loves.

I hope you ladies are doing well. Feel free to drop me a line by answering this email, I always love hearing from you! Much love to you, darlings, and thank you, as always, for your support. <3

Serena
xoxo
