

## From Green Beret to 1% MC : Meet Maverick!

*Cover Reveal*

Hmm, this was a bit too easy, I'm going to need to have a chat with Serena... Hello ladies, Mav here! I am sneaking here on my phone cause Alessa is enforcing the 'no screen' rule, like she's my fucking mom! But I just wanted to drop in here to say Hi and to thank the lot of you for the love! I know so many of you have been waiting for my story and finally... I'm next! Leave it to, Serena, to wait until I almost die (AGAIN!) to tell my story... but hey! Better late than never right?

Since I'm so out of it, I'll leave the blurb part to Alessa.

### Blurb

*Alessa (Ghost)*

Maverick's in love with a dead man buried at Arlington National Cemetery, where his heart might as well be buried too. My husband's

stuck in the past, lost in his fractured mind, and the last ten years are a blur to him, meaning I'm a blur to him.

But I'm not a ghost. I'm a woman. I'm alive. I breathe. I hurt.

Should I let go or hold on?  
My instinct is to let go, but I have family now.  
People who matter to me. A posse I'll kill for.

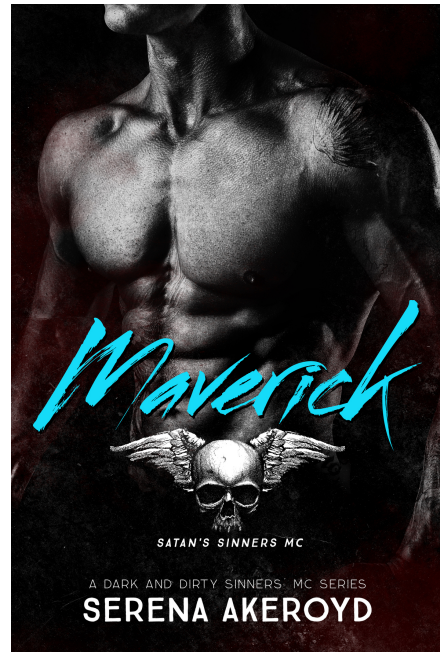

I'm no longer nothing, I'm something.  
I'm a Sinner.

And I've found my ride and die... now I just have to get him to remember me.

Impossible?

I've beaten worse odds and survived.

**Game on, Maverick. Game on.**

Okay, well that was something, wasn't it? Game on? I can't fucking wait! November 24th is when you find out what she has in mind... The women in my life, i.e. Alessa, Kat, and Serena, are hard asses! I can't believe I'm fucking married... And that Nic is dead and that apparently Star and I are friends now? WTF!

You can preorder my book [here](#).

Before I go, Serena, I took care of your giveaway. **Ilana** won. So you may want to shoot her an email!

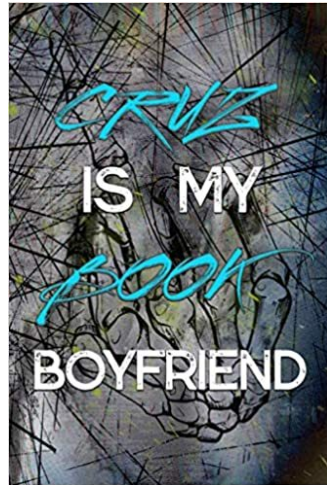

Mav Over and OUT!

Thanks, Jameson! (hahahaha, if he's going to call me a hard ass I'm going to use his first name!) I know, I know, the cliffhanger at the end of Cruz was cruel... But... fear not, this book will not disappoint! Maverick will break your heart but Alessa will put it back together again, and I promise, they get their HEA!

I wish you ladies well. Feel free to drop me a line to tell me what you thought of Cruz, I always love hearing from you! Much love to you, darlings, and thank you, as always, for your support. <3

## Buy a Giulia's Posse Hoodie and help BACA!

One of my readers, Erika, came up with this brilliant idea to have shirts made to celebrate how badass survivors like Indy are. So I went on my [merch shop](#) and made these hoodies. I then decided to give all proceeds from the sales of these to [BACA World](#). I will match the total up to 250US\$. They do great work for children, and I think

the Sinners would be all for contributing to their mission.
