

Where has the time gone?

Hello Lovelies!

I swear, yesterday was the beginning of July and I was getting ready to release Wolf Child! But here we are, 4 months and 6 books later. No wonder I haven't seen the time go by!

So it's official, Mumsy and I packed up our swimsuits for the winter, we decided the water was too cold for us to swim in. And when the weather is too cold for swimming, you know it's perfect for tree trimming, am I right??

When do you guys get your tree up? For us, because we're freaks, it's always in November! And this year... well, this year, I hope you guys do what makes you happy. If there ever was a year where you can bloody well put up your tree whenever you want, it's this one!

I have decorations on my tree that are from when Mumsy was a little girl. Two bells and a little rocking horse as well as decs from when I was a kid, too! Gah, I love Christmas!

My decorated Christmas tree!

And between tree trimming and keeping Mumsy out of trouble-which, more often than not, doesn't work-I am putting the finishing touches on Maverick. And this one, ladies... bring tissues! I cried writing the ending, and Anne (my EA) cried FOUR times reading that same ending! I need to warn you now though, I cannot be held responsible for phones or Kindles being hurled at walls while reading! :P Consider yourself warned!

Speaking of Maverick, I still have some spots on my ARC Teams. Would you like to get your sticky fingers on my books before everyone else in exchange for a review? Fill out this form : <https://bit.ly/ARCTeamSAGAM>. And you just never know, you may come and join us!

Ooh, and while I'm in a tempting frame of mind, do you want to read an excerpt of Maverick? If you do, join my reader group on Facebook (Psst. the link is at the bottom of this newsletter ;)). I have a delicious bit to tie you over till the 24th... and you never know... maybe I'll drop another one in there!

As you are getting ready to read Maverick, if you want to own the first 3 books of A Dark and Dirty Sinners MC Series, as a **boxset**, you can do it now for the low price of 99 cents! November 16th, it's going away... Forevvvverrr. So grab it now!

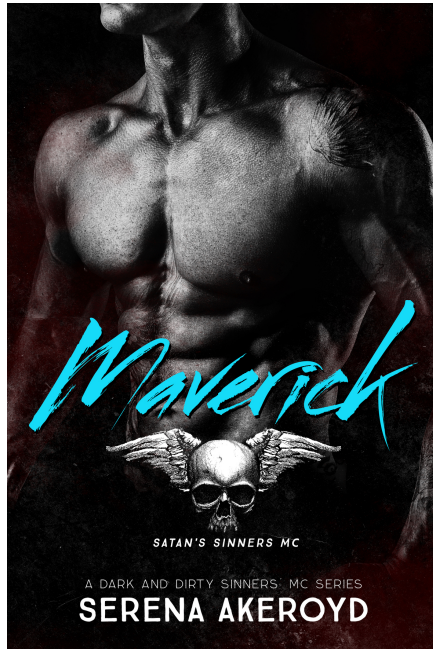

I wish you ladies well. Feel free to drop me a line to tell me if you've decorated your tree yet and maybe show me your piccies! I always love hearing from you!

Much love to you, darlings, and thank you, as always, for your support. <3

Maverick Cover

Blurb

Alessa (Ghost)

Maverick's in love with a dead man buried at Arlington National Cemetery, where his heart might as well be buried too. My husband's stuck in the past, lost in his fractured mind, and the last ten years are a blur to him, meaning I'm a blur to him.

But I'm not a ghost. I'm a woman. I'm alive. I breathe. I hurt.

Should I let go or hold on?

My instinct is to let go, but I have family now. People who matter to me. A posse I'll kill for.

I'm no longer nothing, I'm something.

I'm a Sinner.

And I've found my ride and die... now I just have to get him to remember me.

Impossible?

I've beaten worse odds and survived.

Game on, Maverick. Game on.

Buy a Giulia's Posse Hoodie and help BACA!

One of my readers, Erika, came up with this brilliant idea to have shirts made to celebrate how badass survivors like Indy are. So I went on my [merch shop](#) and made these hoodies. I then decided to give all proceeds from the sales of these to [BACA World](#). I will match the total up to 250US\$. They do great work for children, and I think the Sinners would be all for contributing to their mission.

I'm a survivor like Indy

I stand up for survivors like Indy
