Filthy FREE till January 24th

I am so excited for the release of Filthy Sex! I have to admit that I love diving back into the O'Donnellys' universe! I love these boys so hard, and they love their women harder!

I'm putting the finishing touches on it (it's sitting at over 152K words right now!!!!) and ARC Readers are having lots of feelings about this one, lots of book hangovers. And I couldn't be happier. There is always angst that comes with the release of a new book and the first test is them so the next test is finding out if you love it too!

Have a wonderful weekend, and I hope, if you grab FILTHY, you enjoy it. <3

Much love to you, darlings, and thank you, as always, for your support. <3

BLURB

Filthy Sex

He's the last man I should turn to.
A forbidden taboo that no woman wanted to cross.
Worse still, he's no one's idea of a white knight.
But this pawn has no alternative.
I'm locked in a war that's not of my making, and I'm tied to a destiny I have no say in.
For someone like me, Brennan O'Donnelly represents something intangible—safety.
A single promise unlocks options I didn't dare dream of possessing...
A future. *A family.*
He's hard. He's dangerous. He's *filthy.*
Yet, somehow, he's exactly what I crave.
Now I just need to make him see me for what I am—his Queen.
If he'll have me.
