Trailer for A Dark and Dirty Sinners' MC Series

Hawk is ready, are you?

Hawk is LIVE!

Hello my lovelies,

It's release day!

The day when Hawk and Amara's story is born, I get to have a panic attack, and you guys get to devour months' worth of hard work! Hahaha. Yes, that is totally manic laughter. :D

What can I say about HAWK? Aside from that I have a girl crush on Amara? I swear, if we all had her approach to life, there'd be no stomach ulcers or stress. Smack a bitch you don't like? Boom! I'm down for that. :P

I truly hope you love Hawk if you grab it, and if you do, be sure to drop me an email to let me know what you thought!

Did you know I have a release event going on in my Diva reader group? You should check that out! Plenty of shits and giggles to be had too!

I also have a new Tea & Spoiler Room group, and guess what? Within the next few days, I should have Cruz's cover and it will drop in there FIRST! :O So join to see it before anyone else! Serena Akeroyd's Tea And Spoilers Room!

For just opening this email, you're taking part in a giveaway to win HAWK in paperback so best of luck for that.

As always, know how much I appreciate each and every one of you. Thank you for reading my books and loving these crazy worlds of mine.

Much love to you all,
Serena
xoxo

I was not prepared for this book, the secrets alone will leave your head spinning in one of the best books I've read in 2021. If you want to get lost in the world of Dark and Dirty, be prepared to sin.

K.L. Savage author of The Ruthless Kings MC Series

Let me preface this review by saying that it's going to be short and sweet to avoid any spoilers, but holy cow is this book FAN-FREAKING-TASTIC!!!

Amara

To the rest of the world, I'm broken.

Unfixable.

But when he looks at me, I know what he sees.

A woman, not a doll.

A fighter, not a victim.

A survivor.

Maybe, he sees underneath that.

Maybe, just maybe, he sees what I was always born to be—a predator.

They took my innocence from me. They stole my adolescence.

Now I'm going to reap upon them what they sowed in me.

Vengeance.

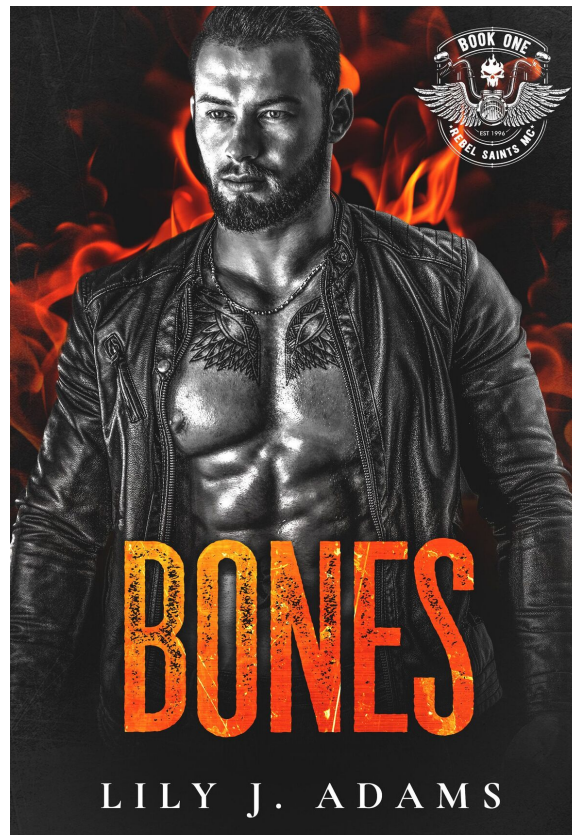

This woman hasn't just been scorned... but the hell I'll rain down upon them will look like child's play.

He's a Sinner, by nature and by vow, but will he take this journey into the depths of depravity with me?

Will his brothers?

Stick around for the ride—we'll find out if he's man enough for the job.

Bones by Lily J. Adams

BONES

Lily J. Adams

The Devil Riders think they can move in on our territory.

Over my dead body.

As President of the Rebel Saints, it's my duty to protect my men and this town.

That's just what I intend to do...by any means necessary.

The last thing I need is a complication like Harper.

Strong.

Beautiful.

Sexy as sin.

Trying to deny the attraction between us is futile.

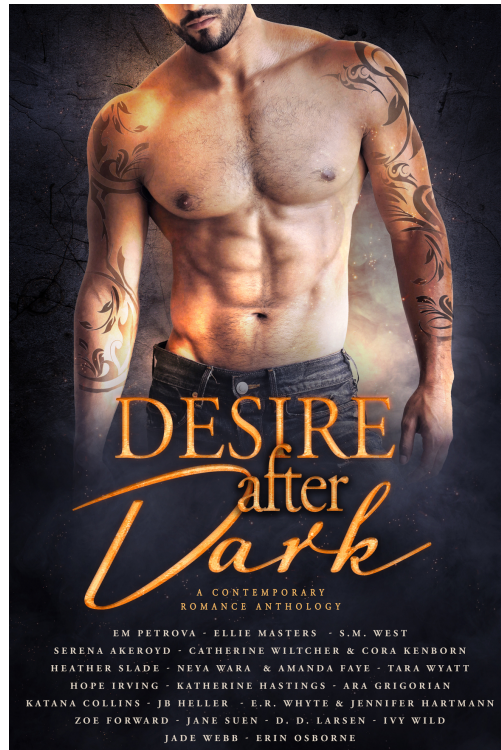

And when she becomes inextricably entwined with defeating our new enemy, all bets are off.

Together, Harper and I are combustible, but so is building tension with our rivals.

Things are reaching a boiling point and ready to explode.

Not everyone can survive the fallout.
