**I'm in LONDON!**

Hello Lovelies!

I'm in London, baby!

Which means I'm in the land of the Quints!

I actually made it my mission while I was here to find the guys' home, and today, after a nosy around Harrods (I bought some tea because Mum's is obsessed with tins so I had to buy her a tin of Harrods' tea hahahahah,) I was wandering around Kensington and found it!

Ta-daaaah!

It has three stories and an attic conversion (where Sascha slept) as well as being a part of a row house Crescent. These Crescents typically housed the middle/upper classes but now it's for millionaires only, haha. It has very minimal parking and there was a Ferrari in the vicinity, lmao, and it had a private, locked garden for all the residents to use!

I'm so happy I know now where the Quints live. Micah and Devlin too, when they come to stay in London!

### **Amara**

To the rest of the world, I'm broken.

Unfixable.

But when he looks at me, I know what he sees.

A woman, not a doll.

A fighter, not a victim.

**A survivor.**

Maybe, he sees underneath that.

Maybe, just maybe, he sees what I was always born to be—a predator.

They took my innocence from me. They stole my adolescence.

Now I'm going to reap upon them what they sowed in me.

**Vengeance.**

This woman hasn't just been scorned... but the hell I'll rain down upon them will look like child's play.

He's a Sinner, by nature and by vow, but will he take this journey into the depths of depravity with me?

Will his brothers?

Stick around for the ride—we'll find out if he's man enough for the job.
