## Reading Recommendations!

*Blood & Bones : ROOK by Jeanne St. James*

## **Blood & Bones : ROOK**

**by Jeanne St. James**

**It's a thin line between love and hate...**

Secrets.

Every one of his brothers in the Blood Fury MC has them.

Including Rook.

*Especially Rook.*

What he's done in his past. What he's involved in currently. What he still needs to do.

Even worse, what he's tempted to do.

With someone no one expects.

Least of all him.

But resisting her is impossible, no matter how much he tries.

Problem is, his club's on the verge of war, so she's either with the Fury or against them.

If she's against them, she's against them all.

Including Rook.

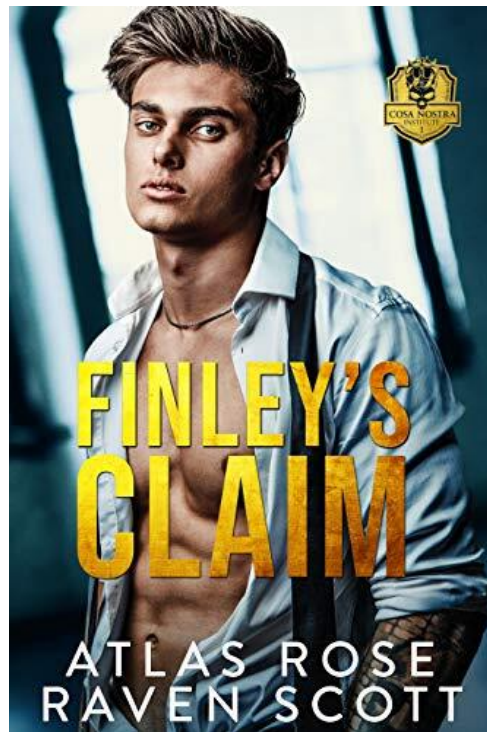

*Especially Rook.*

Which will turn the thin line into an insurmountable wall dividing them forever.

*Note: Blood & Bones: Rook is the seventh book in the Blood Fury MC series*

*and is an enemies-to-lovers romance. As always, this book has no cheating, no cliffhanger and has an HEA. It's recommended to read this series in order.*

*Finley's Claim by Atlas Rose and Raven Scott*

## **Finley's Claim**

by **ATLAS ROSE** and **RAVEN SCOTT**

They call me the Cosa Nostra Prince.  
The first son of the most dangerous Salvatore Mafia family.  
We run the crime. We take the money. We control the war.

So when our 'launderer' decides to run with one hundred million dollars of our money, you can bet we'll hunt them down.

Only they've run to a place they think they're safe.  
A place that's heavily guarded.  
An island in the middle of nowhere.  
Where the son of my family's enemy promises me a bloody and violent end.

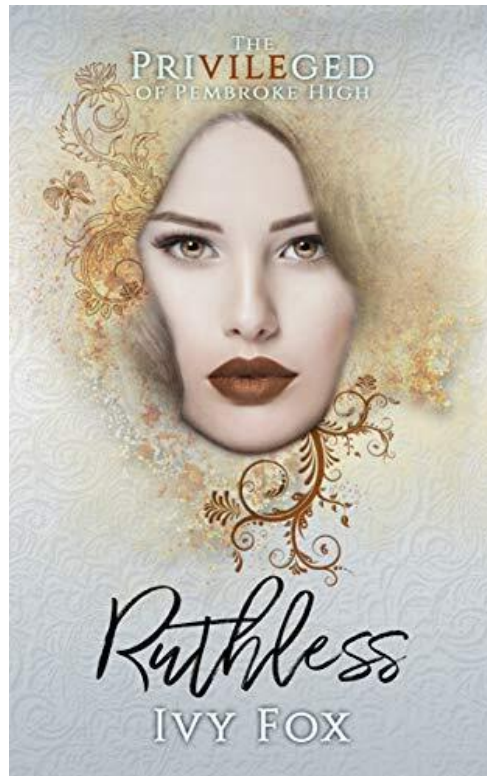

Only I don't care about him...My sole focus is her.  
Pretty, plain Annalise Eden.  
I'll hunt her. I'll corner her. I'll claim her too.  
She's the one they secretly call 'the Ghost'.

The woman who's made my family millions.  
Millions we want back...

**Finley's Claim is a FULL LENGTH dark mafia romance standalone. This series can be read in any order but it is recommended to start with Finley's Claim.**

## Pre Order Recommendations!

*PRE ORDER TODAY! Ruthless by Ivy Fox*

### **RUTHLESS by IVY FOX**

**My heart has always been his.**

Since before I could even spell the name Grayson, I only had eyes for one boy —my perfect, larger than life best friend, who always managed to bring his bright light into my very dark existence with just one of his boyish smiles.

With Chad, I could forget the dismal life I had of being the flawless privileged daughter of a cruel, evil man.

He was my escape.

My solace.

My hope that one day I'd be free of it all and live how I always envisioned with my green-eyed boy at my side.

**He was my everything until the devil's piercing black eyes seduced him away from me.**

They call him Saint, but heaven is not at fault for his pitiful creation.

Only the devil could produce such mouth-watering beauty to hide the ugliness that dwells inside.

He's the demon that terrorizes my days and haunts my restless nights.

Saint wants to steal all that I love, believing he can beat me, but the fool has another thing coming.

I'm Eleanor Grayson, b\*tch.

You want a fight, Saint?

Well, I'll give you one you'll never forget.

**I was born and bred to be ruthless.**

**By the time I'm through, not even hell will recognize you.**

*Ruthless is the first book in the duet focusing on Elle Grayson's love triangle in The Privileged of Pembroke High series.*

*This is a bully/enemy-to-lovers, friends to lovers, contemporary romance, full-length novel.*

*\*Recommended 18+ due to mature language, sensitive content and adult situations featuring m/f, m/m, m/f/m.*
