*BLOODIED HANDS : Bellandi Crime
Syndicate by Adelaide Forrest*

BLOODIED HANDS

Bellandi Crime Syndicate

by Adelaide Forrest

She was an innocent, caught in the wrong place at the wrong time.

Involved in a bank robbery that never should have happened in my city, Ivory found herself staring down the barrel of a gun. Only my protection prevented them from taking what has always been mine.

She should have stayed away. Instead, she charges back into my life like an Angel come to save me from my bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would send her back to her quiet life.

Too bad I'm a Bellandi man through and through.

We always play to win, and what we win, we always keep.

Bloodied Hands is a full-length standalone novel with an HEA, but the series presents a better reading experience when following the suggested order.

This series contains dark elements, including an over-the-top antihero who does as he pleases. Please read at your own discretion.
