STORM

You hate me.

I deserve it.

The day I betrayed the love of my life was the day I lived up to every messed-up thing my haters say about me.

But I'm tired of feeling like a POS.

I'm tired of being broken.

I'm tired of life not being worth living.

It's time now to make amends, and to earn my woman's love back.

To be the father my kid deserves,

the Old Man I should always have been.

Join me for the ride as I become worthy of my family.

Maybe, just maybe, I'll surprise you.

*This book deals with infidelity. If this is a trigger for you, but you love A Dark & Dirty Sinners' MC series, please be assured, that this is the **ONLY** book that can be skipped in the reading order.*

Our grandfather lost the war.
As a result, we lost our city.
We lost everything.
So we turned legitimate.
But like snakes in Eden, the Valentinis belong in Manhattan.
It's time to regain our kingdom. Time to reign over it. Time to make our enemies bleed as we avenge our fallen.
We're not Italian.
We're Sicilian, and we'll watch the city burn before we lose our stranglehold on it again.
Love was never a part of the equation. Love serves no purpose in business. Then they walked into our lives. Then they changed everything, and made a kingdom a dynasty...

REV

Blood & Bones

By **Jeanne St. James**

From a past of righteousness to a future of anything but...

Rev rarely does what's expected of him. The Blood Fury member's rebellious nature tends to lead him on the road less traveled.

In his youth, he fought the chains meant

to restrain him, meant to force him on a righteous path. A path he never chose. A path he never planned to follow. He prefers to pave his own road, taking detours to forge his own future. Even if it's one full of sin. But an unexpected call drags him back to the painful past he's left far behind. One he's tried to forget. No good reason exists for him to return. Except to witness the final moments of the person who made him and his sister suffer. Maybe even get a taste of revenge. However, he's not sure he can deal with it alone. He wants someone to stand by him and help give him strength. A woman who also carves her own path and spits in the face of restrictive rules. The problem is, she's off limits. No matter how tempting she is, no matter how satisfying the sin would be, touching her is one rule he can't break. Ultimately, mistakes are made. Secrets are forced to be kept. Because he's a sinner. He was born one. He will die one. And in between, he plans to enjoy the life he chose. Sins and all.

REV by Jeanne St. James

Note: Blood & Bones: Rev is the eighth book in the Blood Fury MC series. As always, this book has no cheating, no cliffhanger and has an HEA. It's recommended to read this series in order.
