BAD BOYS YOU WANT TO TAKE HOME

1 Week!

Hello Lovelies!

How are you all doing? I have to say that I'm getting really excited for you guys to get your hands on Storm. The ARCs have gone out and so far I am stunned with the response. I have to say, that this is without a shadow of a doubt the

book that I am the most proud of. And to say I almost didn't write their story...

Here is a taste of what the reviews are saying so far...

Storm's story is beautifully heart wrenching, filled with so much raw emotion, and has left my heart in tatters. I didn't think it was possible for a book to be able to drag every emotion possible from me.

Shauni

Storm is my new favourite of the Sinners! This book is a rollercoaster of emotions from hating Storm to falling in love with him and from heartache to joy.

Joanne K

I am honestly sitting here in awe, with tears still in my eyes, wondering how I can write a review that will do justice to this story. And in short, I don't think there are words, it's indescribable how this book made me feel. I have never in my life had a book make me sob, until Storm!

Jennifer Bishop

One of the best books Serena Akeroyd has ever written, "Storm", is going to own the readers completely and irrevocably!

Ana Elena

Keep scrolling and you can get a glimpse of one of the letters that Storm has written Keira... To give you just a little taste of what is to come!

Only one more week till Storm drops on your kindles, so make sure you are in my spoiler group after you've read so you can get support from fellow divas who

will be experiencing the same emotions as you!

Excerpt

Dear Keira

Jimmy told me that's your name. It suits you.

I saw you the other day after class broke out and the light hit your hair, just so. I wish I had my camera with me. The crappy one on my phone won't do you justice, won't capture your smile forever like I need to.

You're way too young for me.

Way too innocent for a man like me.

I should leave you alone.

I'm just not sure that I can.

That smile, damn, I can't stop thinking about it. No malice, no manipulation—just pure joy. I'm not sure I've ever seen a woman smile like that before. With an innocence that makes every filthy part of me stand up and take note.

The shit I've done... The things I've seen... The people I've hurt... My hands are dirty. My soul is black. My heart is a shriveled mass in my chest.

You're so clean, Keira.

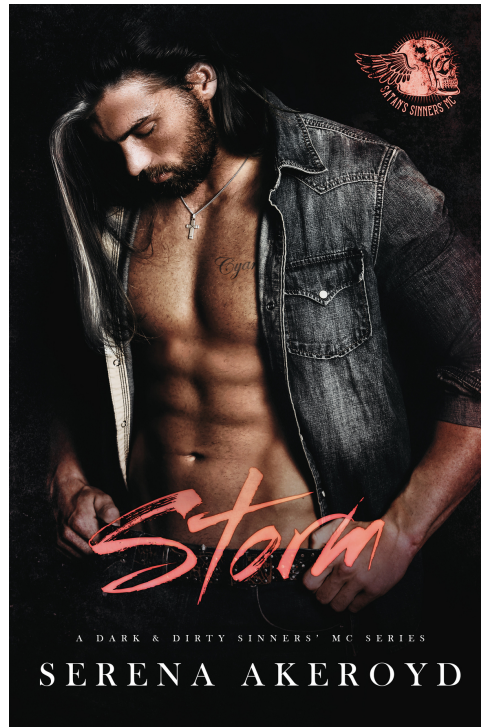

So fucking clean, and I'm so dirty. So unworthy.

You're the kind of woman a man should worship. That he should get on his hands and fucking knees to serve. In my world, men don't do that. But you deserve it.

You deserve everything, and everything isn't something I'm able to offer. For you, I'd try, but I don't think you'll ever notice me. Maybe that's for the best.

STORM

You hate me.

I deserve it.

The day I betrayed the love of my life was the day I lived up to every messed-up thing my haters say about me.

But I'm tired of feeling like a POS.

I'm tired of being broken.

I'm tired of life not being worth living.

It's time now to make amends, and to earn my woman's love back.

To be the father my kid deserves,

the Old Man I should always have been.

Join me for the ride as I become worthy of my family.

Maybe, just maybe, I'll surprise you.

*This book deals with infidelity. If this is a trigger for you, but you love A Dark & Dirty Sinners' MC series, please be assured, that this is the **ONLY** book that can be skipped in the reading order.*

Our grandfather lost the war.
As a result, we lost our city.

We lost everything.
So we turned legitimate.
But like snakes in Eden, the Valentinis belong in Manhattan.
It's time to regain our kingdom. Time to reign over it. Time to make our enemies bleed as we avenge our fallen.
We're not Italian.
We're Sicilian, and we'll watch the city burn before we lose our stranglehold on it again.
Love was never a part of the equation. Love serves no purpose in business.
Then they walked into our lives.
Then they changed everything, and made a kingdom a dynasty...
