The Don

Blood stains my hands, my soul, my heart, yet I'll shed more to keep her safe.

A chance meeting brings Jen MacNeill into my life—the woman born to reign at my side.

She just doesn't know it yet.

How could my Lady be anything other than a silken promise taunting me with every breath she takes?

A new Don reigns over Manhattan.

But though I won the war, peace isn't easily brokered.

Over a decade of avenging my father's death, I made many enemies.

To each and every one, Jen's a target.

But I'll paint NYC red before I let them harm her.

I just never imagined I'd be in the line of fire first...

A heart broken by grief can feel no guilt or shame with the brutality in which vengeance is delivered.

This is the first part of 'The Oath' duet in The Valentini Family series.

The Lady

I've spent a lifetime avoiding the various factions of the mafia in NYC, yet somehow I'm in it up to my eyeballs.

I should be scared.

I should want to run.

Yet the city quivers in fear with every designer-clad footstep I take, because the Valentinis have ascended, and I'm the Don's Lady.

It's intoxicating.

However Luciu comes with vendettas and a craving for vengeance that could get him killed.

With my allegiance tied to the Irish, can I say yes when he wants me to take an oath to the Sicilians?

Is a happily-ever-after on the cards when the 'after' isn't even promised?

This is the second part of 'The Oath' duet in The Valentini Family series.

THE DON *must* be read first.

STORM

You hate me.

I deserve it.

The day I betrayed the love of my life was the day I lived up to every messed-up thing my haters say about me.

But I'm tired of feeling like a POS.

I'm tired of being broken.

I'm tired of life not being worth living.

It's time now to make amends, and to earn my woman's love back.

To be the father my kid deserves,

the Old Man I should always have been.

Join me for the ride as I become worthy of my family.

Maybe, just maybe, I'll surprise you.

*This book deals with infidelity. If this is a trigger for you, but you love A Dark & Dirty Sinners' MC series, please be assured, that this is the **ONLY** book that can be skipped in the reading order.*
