I have to take this occasion to thank all of you who gave my Asher a chance to sway you and move you! The response to *Storm* has been overwhelming. It was a journey to get his story on paper, but no regrets here, especially with the

love he's been getting.

He's the only book I've ever written to hit two hundred reviews on Amazon within release week, and that is because you decided to trust me, and I am beyond humbled by that.

So... thank **you!** Thank you for trusting me and thank you for loving Storm, Keira and Cyan.

Much love
Serena

The Oath Duet

The Don

Blood stains my hands, my soul, my heart, yet I'll shed more to keep her safe.

A chance meeting brings Jen MacNeill into my life—the woman born to reign at my side.

She just doesn't know it yet.

How could my Lady be anything other than a silken promise taunting me with every breath she takes?

A new Don reigns over Manhattan.

But though I won the war, peace isn't easily brokered.

Over a decade of avenging my father's death, I made many enemies.

To each and every one, Jen's a target.

But I'll paint NYC red before I let them harm her.

I just never imagined I'd be in the line of fire first...

A heart broken by grief can feel no guilt or shame with the brutality in which vengeance is delivered.

This is the first part of 'The Oath' duet in The Valentini Family series.

The Lady

I've spent a lifetime avoiding the various factions of the mafia in NYC, yet somehow I'm in it up to my eyeballs.

I should be scared.

I should want to run.

Yet the city quivers in fear with every designer-clad footstep I take, because the Valentinis have ascended, and I'm the Don's Lady.

It's intoxicating.

However Luciu comes with vendettas and a craving for vengeance that could get him killed.

With my allegiance tied to the Irish, can I say yes when he wants me to take an oath to the Sicilians?

Is a happily-ever-after on the cards when the 'after' isn't even promised?

This is the second part of 'The Oath' duet in The Valentini Family series.

THE DON *must* be read first.

COMING OCTOBER 21ST!

Filthy Secret

Secrets—you know my family is founded on them.
You just don't know how much they're suffocating us.

Lies—my marriage hinges on one.
You know that I picked the wrong woman.

I kept the past buried like a coward. Now, I feel the constraints of my choices like they're a chokehold.

I shouldn't have chosen Lena over Aoife.

I know that it's time to tell her the truth.

It's time to deal with the consequences of my actions.

Aoife deserves to be my judge, jury, and executioner.

If she burns down the house with me in it, well, that's on me and my filthy secrets...

This is Aoife O'Grady's story...

You hate me.

I deserve it.

I'm tired of life not being worth living.

It's time now to make amends, and to earn my woman's love back.

To be the father my kid deserves,
the Old Man I should always have been.

Join me for the ride as I become worthy of my family.

Maybe, just maybe, I'll surprise you.

This is a standalone and can be read out of order.

Read *Filthy Hot* TODAY!

FILTHY HOT

The second our eyes meet, I feel it.

The ticking clock.

It's only a matter of time before we come together.

Before the heat that arcs between us turns into a conflagration.

But he's a mobster. An O'Donnelly. His notoriety is legendary.

I'm a journalist. I expose men like him, which is how I built my reputation.

Manipulating the truth is how the Five Points forged their name. It's why he's one of NYC's most eligible bachelors, after all.

Whereas for me, the truth is my calling.

My purpose.

With my life on the line, will I risk it all once more to find safety in the arms of a filthy hot O'Donnelly?

Read our story in this opposites attract mafia romance, *Filthy Hot*, the fifth book in the Five Points' Mob Collection.
