# Nyx, Link and Sin in one boxset for 99 cents!

Forgotten And Found

Hello Lovelies!

How are you all doing? Will Halloween be happening where you are? Crazy times we live in with this pandemic!

So I did a thing! I boxed Nyx, Link, and Sin together... *Hubba hubba!* Gave them a new cover and a special title... And right now, you can get all three of these bad boys for 99 cents! You get all three full-length books in one e-book for that price! :O Hurry though, because it will not stay at that price forever! The regular price will be 9,99.

And it's just in time for you guys to either discover the Dark and Dirty Sinners, or reread them before Cruz drops on October 27th! ;)

Blurb

You met them in Nyx.

You fell for them in LINK.
And your heart broke for them in SIN.
Now read them altogether for the first time in FORGOTTEN & FOUND.

NYX is a killer.
LINK is a fixer.
SIN is a fighter.

Their women?
Their equals.
Their everything.

Get ready to fall for the Satan's Sinners' MC brothers.
Trust me, you aren't ready for the fallout…

This boxset contains books 1 to 3 of the Dark and Dirty Sinners' MC Series.

Speaking of Cruz, he's with ARC readers now. And they are loving him! I have a feeling this one may change who your favorite is in the series... I know it has for me!

Much love to you, darlings, and thank you, as always, for your support. ❤
